

# Walking On The Water - 1/1

Interprété par Atomic Kitten.

When you hear me calling  
You always come around  
And if I'm lost and falling  
I know I will be found  
Whatever I am thinking  
you always seem to know  
Nobody else can do this  
It makes me love you so

Chorus:

I'm walking on the water and my head's on fire  
I'm flying like a bird but I can't get high  
Nothing I can do, nothing I can say  
Will ever be the same in any other way  
Talking like a stranger like I'm someone else  
I need to turn around and recognise myself  
Baby you're the one, I can't let go, you take me to the  
places that I need to know

And when I'm cold & crying  
Breaking up inside  
You're the voice of reason  
That helps restore my pride  
And every moment with you just  
Gets better than the last  
Promise not to leave me  
Never let this feeling pass

Repeat chorus

Together we're stronger baby  
Standing tall through the years  
You're me emotional rescue baby  
And you need to know, I love you so, for always

Repeat chorus X3
