

## Weathered - 1/1

### Interprété par Creed.

I lie awake on a long, dark night  
I can't seem to tame my mind  
Slings and arrows are killing me inside  
Maybe I can't accept the life that's mine  
No I can't accept the life that's mine

Simple living is my desperate cry  
Been trading love with indifference  
yeah it suits me just fine  
I try to hold on but I'm calloused to the bone  
Maybe that's why I feel alone  
Maybe that's why I feel so alone

Me...I'm rusted and weathered  
Barely holding together  
I'm covered with skin that peels and  
it just won't heal

The sun shines and I can't avoid the light  
I think I'm holding on to life too tight  
Ashes to ashes and dust to dust  
Sometimes I feel like giving up  
Sometimes I feel like giving up

Me...I'm rusted and weathered  
Barely holding together  
I'm covered with skin that peels  
and it just won't heal

The day reminds me of you  
The night hides your truth  
The earth is a voice  
Speaking to you  
Take all this pride  
And leave it behind  
Because one day it ends  
One day we die  
Believe what you will  
That is your right  
But I choose to win  
So I choose to fight  
To fight
