

## Angel - 1/2

**Interprété par Lionel Richie.**

I just want to tell you all the things you are  
And all the things you mean to me  
When I find myself believing there's no place to go  
When I feel the loneliness inside my heart

You're the answer to my prayers  
And you're with me everywhere  
You're my angel

Miracle

You're all I need tonight  
Give me shelter from the rain  
You breathe life in me again  
You're my angel

Miracle

You're all I need to know  
Tonight

Life is just a moment  
We're blowing in the wind  
We're trying to find a friend  
And only time can tell us  
If win or if we lose  
And who will stand beside us

When there's darkness all around me  
You're the light I see  
When I need someone to ease my troubled mind

You're the answer to my prayers  
And you're with me everywhere  
You're my angel

Miracle

You're all I need tonight  
Give me shelter from the rain  
You breathe life in me again  
You're my angel

Miracle

You're all I need to know  
Tonight

Oh...

You're all I need tonight  
All I need tonight  
All I need tonight  
You're my angel

You're the answer to my prayers

## Angel - 2/2

And you're with me everywhere  
You're my angel  
Miracle  
You're all I need tonight  
Give me shelter from the rain  
You breathe life in me again  
You're my angel  
My miracle  
You're all I need to know  
Tonight
