

## Move This Mountain - 1/1

Interprété par Sophie Ellis Bextor.

What do you want from me  
I stand before you no attempt to leave  
I'm too tired to disagree  
I stand before you no chance I'll believe this warning  
Oh do you know  
I would have done anything for you  
Take this chance I won't repeat this  
I can do anything that's put beside of you  
And I can move any mountains that you make  
I'll lift you up and my back will never break  
And I can move this mountain  
Come and take the rest of me  
I never thought I wouldn't want you near  
This is all I'll ever be  
I understand you  
Look around to see this dawning  
Oh, does it show  
I wanted to catch you falling  
Oh, do you know  
I would have done anything for you  
Take this chance I won't repeat this  
I can do anything that's put beside of you  
And I can move any mountains that you make  
I'll lift you up and my back will never break  
And I can move this mountain
