

Politik - 1/1

Interprété par Coldplay.

Look at earth from outer space Everyone must find the place Give me time and give me space Give me real, don't give me fake Give me strength, reserve control Give me heart and give me soul Give me time, give us a kiss Tell me your own politik

And open up your eyes Open up your eyes Open up your eyes Open up your eyes

Give me one, cos one is best In confusion, confidence Give me piece of mind and trust Don't forget the rest of us Give me strength, reserve control Give me heart and give me soul Wounds that heal and cracks that fix Tell me your own politik

And open up your eyes Open up your eyes Open up your eyes Open up your eyes Just open up your eyes

You give me love over Love over Love over this, I'm... And give me love over Love over Love over this, I'm...
