And even though the moment passed me by  
I still can't turn away  
'Cause all the dreams you never thought you'd lose  
Got tossed along the way  
And letters that you never meant to send  
Get lost or thrown away  
And now we're grown up orphans  
That never knew their names  
We don't belong to no one  
That's a shame

But if you could hide beside me  
Maybe for a while  
And I won't tell no one your name  
And I won't tell em' your name  
And scars are souvenirs you never lose  
The past is never far  
Did you lose yourself somewhere out there  
Did you get to be a star  
And don't it make you sad to know that life  
Is more than who we are  
We grew up way too fast  
And now there's nothing to believe  
Reruns all become our history  
A tired song keeps playing on a tired radio  
And I won't tell no one your name  
And I won't tell em' your name  
I won't tell em' your name  
Mmm, mmm, mmm,

I won't tell em' your name... Ow!  
I think about you all the time  
But I don't need the same  
It's lonely where you are come back down,  
And I won't tell me your name
