

## Hate This Place - 1/2

Interprété par The Goo Goo Dolls.

Gone away  
Who knows where you been  
You take all your lies  
And wish them all away  
I somehow doubt  
We'll ever be the same  
There's too much poison  
And confusion on your face

Can you feel it  
I didn't mean it  
Can I see you  
What are we doing  
I think I love you  
But I ain't saying nothing you don't know

Hold on dream away  
You're my sweet charade

Take your time  
Move yourself to me  
Yeah I can take your lies  
Until you fall away  
You know I'm lost  
Hiding in your bed  
No I don't think it's wrong  
It's just gone to my head  
Can you feel it  
I didn't mean it  
Can I see it  
What are we doing  
I think I love you  
But I ain't saying nothing you don't know

Hold on dream away  
You're my sweet charade

Hey what you doing to me  
Would you come back to me  
Yeah I can't do another day  
I'm not certain of it anyway  
I ain't messing with another life  
Can I get along without you  
Tell me lies  
That you know I need

Hold on dream away
