

All Eyes On Me - 1/1

Interprété par The Goo Goo Dolls.

Daylight burns your sleepy eyes and
It's hard to see you dreaming
You hide inside yourself and
I wondered what you're thinking
And everything you're chasing
It seems to leave you empty

And it won't take long to burn
Through the nothing that you've learned
And the things you choose to be
All eyes on me

But your eyes look away
It's so hard to be someone
Strung out from today
And all that you knew slips away

You drown in deeper oceans
Inventing new religions
They smile and stab my back and
I lie and have to laugh

And it won't take long to burn
Through the nothing that you've learned
And the things you choose to be
All eyes on me

But your eyes look away
It's so hard to be someone
Strung out from today
And all that you knew slips away

And you hide in your room
And the light burned away
And you move from the truth
It's all so far from you
