

Black Balloon - 1/1

Interprété par The Goo Goo Dolls.

Baby's black balloon makes her fly
I almost fell into that hole in your life
And you're not thinking bout tomorrow
Cause you were the same as me
But on your knees

A thousand other boys could never reach you
How could I have been the one
I saw the world spin beneath you
And scatter like ice from the spoon
That was your womb

Coming down the world turned over
And angels fall without you there
And I go on as you get colder
Or are you someone's prayer

You know the lies they always told you
And the love you never knew
What's the things they never showed you
That swallow the light from the sun
Inside your room

Coming down the world turned over
And angels fall without you there
And I go on as you get colder
Always someone. . .

And there's no time left for losing
When you stand they fall
Coming down the world turned over
And angels fall without you there
And I go on as you get colder
All because I'm

Coming down the years turned over
And angels fall without you there
And I'll go on now and lead you home and
All because I'm
All because I'm
And I'll become
What you became to me
