

## Coulda Woulda Shoulda - 1/2

**Interprété par Céline Dion.**

Did you ever fall in love at the right time or place  
Does it always have to move  
At its own kind of pace  
When you're driving on cruise control  
Coming off a bumpy ride  
And your heart is back in shape  
Then it hits you with no chance to hide

But don't you miss out on the way  
Don't find a reason to say

Coulda woulda shoulda  
But I didn't do that  
You gotta give it a shot  
Dare to believe  
And don't say you  
Coulda woulda shoulda  
But I didn't do that  
Just throw in everything you've got  
'Cause in love there's no holding back

You tell me that you play it safe cause you're afraid  
To hurt your neck  
On that rollercoaster trip  
Never knowing what you'd get  
But do you wanna be cynical  
On a date with destiny  
Giving up the greatest rush  
Who knows what it turns out to be

No don't you miss out the way  
Don't find a reason to say

Coulda woulda shoulda  
But I didn't do that  
You gotta give it a shot  
Dare to believe  
And don't say you  
Coulda woulda shoulda  
But I didn't do that  
Just throw in everything you've got  
'Cause in love there's no holding back

It's meant to be  
Don't think about it  
Let love run free  
Cause you're on your way

## Coulda Woulda Shoulda - 2/2

Follow your heart when it's calling on you  
Don't you say

Coulda woulda shoulda  
But I didn't do that  
You gotta give it a shot  
Dare to believe  
And don't say you  
Coulda woulda shoulda  
But I didn't do that  
Just throw in everything you've got  
'Cause in love there's no holding back
