

## Love Is All We Need - 1/2

**Interprété par Céline Dion.**

She was living in a perfect house  
With pictures of smiling faces  
But there's a different story told inside  
Underneath it all

With the sunglasses and makeup on  
Blaming the stairs at Macy's  
They all knew...  
(No one even asked; is something wrong?)  
So they wait  
Now she's gone...

I don't understand the concept of  
The power of one is stronger  
Why don't people seem to care at all  
As long as it's not about them  
I say...  
I guess we've underestimated love  
Or why would we hurt each other  
Don't you find that ironical  
When love is all we need  
Oh yeah...

He is living down his sunset strip  
Singing the blues for money  
It's easy just to look the other way  
When you have it all

He's reaching out to find a helping hand  
But nobody seems to bother  
Hear them say...  
(It's not my problem so it's not my call)  
You're on your own  
Through it all...

I don't understand the concept of  
The power of one is stronger  
Why don't people seem to care at all  
As long as it's not about them  
I say...  
I guess we've underestimated love  
Or why would we hurt each other  
Don't you find that ironical  
When love is all we need  
Oh yeah...

When it all becomes too real

## Love Is All We Need - 2/2

We have a tendency to be  
Too scared to face it  
It's breaking my heart to see...  
When love is all we neeeeeeeeed...

I don't understand the concept of  
The power of one is stronger  
Why don't people seem to care at all  
As long as it's not about them  
I say...  
I guess we've underestimated love  
Or why would we hurt each other  
Don't you find that ironical  
When love is all we need  
Oh yeah...
