

I Promise Myself - 1/1

Interprété par Nick Kamen.

I promised myself I promised I'll wait for you
The midnight hour I know you'll shine on through
I promised myself I promised the world to you
I gave you flowers you made my dreams come true

How many of a sound will feel the need
To run and look for shelter

I promised myself that I take care of you
When you tomorrow with all your might come true
I promised myself that I make it up to you
Not sister and brother no I'm in love with you

How many of a sound will feel the pain
I'm loosing what we've once had god I know
What people say about her no more stay
Who can live without her

How many of a sound will feel the pain
I'm loosing what we've once had god I know
What people say about her no more stay
Who can live without her

I promised myself I promised I'll wait for you
The midnight hour I know you'll shine on through
I promised myself I promised the world to you
I gave you flowers you made my dreams come true
