

The Fear - 1/1

Interprété par Trustcompany.

Standing here
I'm cold inside my fear
And I can feel my soul
Take me in
I'm yours again for awhile
Just like the last time

Lead me from the fear
And I will leave you here
There's a way out, there's a way out
It's the way from here to leave
Lead me from the fear
And I will leave you here
There's a way out, there's a way out
There's a way from here to leave

I feel weak
And I'm slowly losing touch
Of what is left in me
Take me in
I'm yours again for awhile
Just like the first time

Lead me from the fear
And I will leave you here
There's a way out, there's a way out
It's the way from here to leave
Lead me from the fear
And I will leave you here
There's a way out, there's a way out
There's a way from here to leave

And I need you
To keep me here
