

I Am Mine - 1/1

Interprété par Pearl Jam.

The selfish they're all standing in line...
Faith in their hope and to buy themselves time.
Me, I figure as each breath goes by,
I only own my mind.

The north is to south what the clock is to time.
There's east and there's west and there everywhere life.
I know that I was born and I know that I'll die.
The in between is mine. I am mine.

And the feeling it gets left behind...
Oh the innocence broken with time...
We're different behind the eyes, there's no need to hide.
We're safe tonight.

The ocean is full cause everyone's crying,
The full moon is looking for friends at high tide.
The sorrow grows bigger when the sorrows denied.
I only know my mind. I am mine.

And the feeling it gets left behind...
Oh the innocence broken with time.
We're different between the lines, there's no need to hide...
Cause we're safe tonight.

And the feeling it gets left behind...
Oh the innocence broken with time.
We're different behind the eyes, there's no need to hide.

And the feeling it gets left behind...
Oh the innocence broken with lies.
We're different behind the eyes.
We're safe tonight.
