"Give It Up"

You're fadin' out like a stereo.
Your signal's weak and you're feeling low.
(She said) Don't try to think you know what I'm thinking.
So give it up now, just give it up now.
Give it up 'cause I can see through you.
Give it up you know that I'd do anything for you.
It's obvious that you're feeling down.
And you don't want anyone around.
But you know that's exactly what you need.
So give it up now.
Take a chance on stupidity.
And have a seat come ride with me.
We'll set a course for anywhere but here.
So give it up now, just give it up now.
Give it up 'cause I can see through you.
Give it up you know that I'd do anything for you.
Don't be afraid to make a mistake.
Don't be afraid to make this mistake.
I'll turn you on like a stereo.
So take a chance or you'll never know.
The water's deep, but boredom can kill you.
So give it up now, just give it up now.
Give it up 'cause I can see through you.
Give it up you know that I'd do anything for you.
