

Liar - 1/1

Interprété par Cranberries.

Say it if you want to and say it if you will
But if you don't say what you are thinkin'
No, I won't take too kindly to it.

And all I want is something special,
And you can't give it to me,
And all you do is lie to me,
'Cause you're a liar, liar, liar.

I will run, I will fight,
I will take you through the night lie, lie, liar,
I will run, I will fight,
I will take you through the night lie, lie, liar...

Say it if you want to,
And say it if you choose
But if you don't say what you are thinkin'
No I won't take too kindly to it

When all I want is something different
And you couldn't give it to me
And all you do is lie to me
So you're a liar, liar, liar.

I will run, I will fight,
I will take you through the night lie, lie, liar,
I will run, I will fight,
I will take you through the night lie, lie, liar...

I'll fight you, I'll fight you
I'm fighting you
Liar, liar, liar
You know you're a liar,
Liar...
