

Electric blue eyes - 1/1

Interprété par Cranberries.

Electric blue eyes where did you come from? Electric blue eyes who sent you? Electric blue eyes, always be near me. Electric blue eyes, I need you.

Na na no, na na no...

Domine, Domine Deus, Domine, Adiuva Me. Domine, Domine Deus, Domine, Adiu, Adiuma Me.

If you should go you should know I love you. If you should go you should know I'm here. Always be near me, guardian angel. Always be near me, there's no fear. (None at all)

Na na no, na na no...

Domine, Domine Deus, Domine, Adiuva Me. Domine, Domine Deus, Domine, Adiu, Adiuma Me.
