

## Wanted - 1/1

**Interprété par Cranberries.**

Sittin' in an armchair,

With my head between my hands;  
I wouldn't have to feel like this  
If you'd only understand

Too many misunderstandings  
Causing such delay  
And if it doesn't work like this  
Well I'll try another way

Oh, if this is the way you wanted it  
Oh, I didn't understand  
Oh, if this is the way you wanted it  
Oh, I didn't understand

You know that all I wanted was  
To be there by your side  
And if you didn't want it  
Well you shouldn't have denied

You knew that you were someone special  
Right from the start  
But if you treat me badly  
We'd be better off apart

Oh, if this is the way you wanted it  
Oh, I didn't understand  
Oh, if this is the way you wanted it  
Oh, I didn't understand, understand

Oh, oh oh oh, oh...
