

Ode a fanny - 1/1

Interprété par Stirrers.

Fanny is gone to the west of the mountain
I know her daddy feels insane
I hope you are happy fanny where you are
even you forget fanny who we are

chorus: My name is....

Fanny was a friend of mine
I know that she is still inside
I hope you are happy where you are
even you forget where we are

chorus: My name is...
