**Interprété par Moby.**

Lord God Almighty let me tell the news  
my head got wet in midnight dew  
great God i been down on my bended knees  
talking to a man from galilee  
michael spoke and he sound so sweet  
i thought i heard the shuffle of angels' feet  
He put one hand upon my head  
great God Almighty let me tell you what He said

[bridge:]

go tell that lonesome liar  
go tell that midnight rider [??]  
tell the gamblin', ramblin' backslider  
tell them God Almighty gonna cut 'em down

[chorus:]

you might run on for a long time  
run on, ducking and dodging  
run on, children [?], for a long time  
let me tell you God Almighty gonna cut you down

you might throw your rock [?], hide your head  
work in the dark with your fellow men  
sure as God made you rich and poor  
you're gonna reap just what you sow

[chorus] x3

some people go to church just to signify  
trying to make a date with a neighbor's wife  
brother let me tell you just as sure as you're born  
you better leave that woman alone
