

## Luxury : Cococure - 1/1

**Interprété par Maxwell.**

Took a high from a low  
Took my icy freeze and thawed the cold  
An inspired undisclosed  
It's a privacy that y'all should know  
Never wonder cause I know  
Ain't no other got this flow  
Lady lover, lady soul  
You're my discovered pot of gold

1 - I found a cure for this  
Cococure for this  
It's got me plushed on some luxurious  
Cococure

It's a happy in a sad  
It's a more that's less  
It's a glad, drive me crazy (ooh baby)  
You're my mommy, you're my dad  
Lady lover never go  
You're the part of my heart that is soul
