

## Black capricorn day - 1/2

Interprété par Jamiroquai.

Hey hey  
Hey hey  
Let the rain come down on me  
Hey, hey, hey, hey  
I see people and they're craving blood  
And I'm so rarely understood  
Well I don't know what they want from me,  
It's gonna take sometime just to let them see

I'm going through a black, hey Capricorn day  
And though it doesn't seem so  
I'm going through a black hey Capricorn day  
Though you want to check me out  
I'm not the man to play, play, play, play.  
Hey hey  
Don't you see I'm not the man to play  
Hey hey  
No way you can play with me today  
Hey hey  
Just let me sing it to my Capricorn day  
Hey hey  
My heart is a pure sun and the sky is black  
And I can feel cold steel when I turn my back  
It stings like needles, with a jagged tongue  
You know this scream reminds me  
Of when I was so young

I never had any of those  
Black hey Capricorn days  
Though it doesn't seem so  
I've got to get this way  
I'm going through a black hey Capricorn day  
and though you want to check me out  
I'm not the man to Play, play, play, play

It's just to black for me  
It's just too black

I'm stuck on the highway  
leading straight to hell  
Like any other drifter with a soul to sell  
You know I'm dealing with the devil  
In everyone I meet  
And their faces tell a story,  
That life ain't so sweet

I'm going through a black, hey Capricorn day

## Black capricorn day - 2/2

And though it doesn't seem so  
I'm going through a black hey Capricorn day  
Though you want to check me out  
I'm not the man to play, play, play, play.  
Hey hey
