

## Parade - 1/2

**Interprété par Garbage.**

KABOOM

Get it right

Get it right now

Get it right

Do it good

Get it right now

KABOOM

Get it right

Get it right now

Get it right

Do it good

Get it right now

Oh let's bomb the factory

That makes all the wannabes

Let's burst all the bubbles

That brainwash the masses

As far as I can tell

It doesn't matter who you are

If you can believe there's something worth fighting for

The color of an eye

The glory of a sudden view

The baby in your arms

The smile he always shoots at you

Believing in nothing

Makes life so boring

So let's pray for something

To feel good in the morning

As far as I can tell

It doesn't matter who you are

If you can believe there's something worth fighting for

The color of an eye

The glory of a sudden view

The baby in your arms

The smile he always shoots at you

KABOOM

Get it right

Get it right now

Get it right

Do it good

Get it right now

KABOOM

Get it right

## Parade - 2/2

Get it right now  
Get it right  
Do it good  
Get it right now  
KABOOM  
KABOOM  
KABOOM  
KABOOM

Oh doctor  
We're dying  
There's no use in crying  
So live for tomorrow  
And do what you have to

As far as I can tell  
It doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye  
The glory of a sudden view  
The baby in your arms  
The smile he always shoots at you

Oh let's pray for something  
To feel good in the morning  
In the morning  
As far as I can tell (Get it right now)  
In the morning  
As far as I can tell (Get it right now)  
In the morning  
As far as I can tell (Get it right now)  
As far as I can tell (Get it right now)  
As far as I can tell (Get it right now)
