

Don't think twice it's alright - 1/1

Interprété par Cher.

Ain't no use to sit and wonder why, babe
It don't matter anyhow
Ain't no use to sit and wonder why, babe
If you don't know by now

When the rooster crows at the break of dawn
You'll look out your window, and I'll be gone
You are the reason I'm traveling on
But don't think twice, it's all right

Ain't no use in turning on your light, babe
The light I never knowed
Ain't no use in turning on your light, babe
I'm on the dark side of the road

Still I wish there was something you could do or say
To try and make me change my mind and stay
We never did too much talking anyway
Don't think twice, it's all right

Walking down that long lonesome road, babe
Where I'm bound, I can tell
But good-bye is too good a word, babe
So I'll just say: "Fair-thee well"

I ain't sayin' you treated me unkind
You could have done better, I don't mind
You just sort of wasted my precious time
Don't think twice, it's all right

Don't think twice, it's all right
Don't think twice, it's all right
Don't you think twice babe, it's all right
Don't think twice baby, it's all right
Don't you think twice, it's all right
Baby, it's all right, it's all right
Well it's all right, don't think twice
