

By myself - 1/1

Interprété par Cher.

I gotta go on my way by myself
'Cause this is the end of romance
I gotta go my way all by myself
Love it's only, it's only a dance

Oh, I'm gonna try to apply myself
And teach my poor heart how to sing
I gotta go, I wanna go my way all by myself
Just like, just like a bird on the wing

Oh, I'm gonna face the unknown
I'm gonna feel, I'm gonna feel the way
Of the world on my own
'Cause nobody knows better than I, myself
You see, I'm by myself, all alone

I gotta go, I gotta my way by myself
This is the end, the end, the end, end of romance
I gotta go, I gotta go my way all by myself
Love is only a dance

I gotta go, I gotta see, I gotta
Try al the things by myself
And teach my poor heart how to sing
I gotta go, I gotta try
My thing all by myself
Just like a bird I've learned on the wing

Oh, I, I'm gonna face the unknown
I'm wanna feel, I gotta feel
I wanna feel a world of my own
Nobody, nobody knows better than oh I, myself
You see, I'm by myself all alone

Oh, all alone
All alone
