

# The bigger they come the harder they fall - 1/1

Interprété par Cher.

Well they tell me  
There's a pie in the sky  
Waiting for me when I die  
But between the day  
You're born and when you die  
Oh Lord, they never  
Seem to hear even your cry

And as sure as the sun will shine  
I'm gonna get my share of what's mine  
And then

Chorus:

The harder they come  
The harder they fall  
One and all  
Oh the harder they come  
The harder they fall

Well the oppressors are trying  
To get me down, trying to drive me  
Under the ground, and they think  
That they have got their battle won  
I say: "forgive 'em Lord  
They no not what they've done"

And as sure as the sun will shine  
I'm gonna get my share of what's mine  
And then

(chorus)

And I keep on fighting for  
The things I want, though I know  
That when you're dead, man you're gone  
But I'd rather be a free man in my grave  
Oh, than living like a puppet or a slave

And as sure as the sun will shine  
I'm gonna get my share of what's mine  
And then

(chorus)
