

## My song (too far gone) - 1/1

Interprété par Cher.

He was just another boy from Georgia  
Playing in a rock and roll band  
I was living in L.A. in a Hollywood way  
Then I met him and he loved me  
We got married

CHORUS:

Now he's too far gone to hold me  
Too far gone doesn't want to know me  
Too far gone and he doesn't really know  
No he'll never get to know his son

Now I know I am a stubborn woman  
But I knew he was a passionate man  
Though our feelings were intense  
Our problems were a menace  
But we tried hard and we held on  
But we let it go

Chorus

It's hard to cut it loose  
But only one man holds the key to what  
I did to many men finally done to me  
Now I'm trying not to fall to pieces  
But I think about him every day  
When I lay down by his side  
Tears of love would fill my eyes  
Ooh I loved him and he loved me  
But we let it go

Too far gone too far gone  
And he doesn't really know  
God he'll never get to know his son, his son
