Wasn't it good

The way that I touched you late last night  
Wasn't it good again in the morning's early light  
Did you know when you closed that bedroom door  
I betcha didn't know exactly what I had in store

Wasn't it good when you felt it coming through you  
Wasn't it good that I knew just how to do you  
Did you know you never had it like this before  
I betcha didn't know you'd be coming around  
Back for more, more, more

Let's have a party, love's pouring out of my soul  
I'm your party hearty and let the future take control  
Just remember my darling when there's time to spare  
You'll be thinking about me, and our hot affair  
Saying wasn't it good, wasn't it good so good

Did you know you never had it like this before  
And I betcha didn't know you'd be coming around  
Back for more, more, more  
Let's have a party, love's pouring out of my soul  
I'm your party hearty and let the future take control

Let's have a party we'll make the best of it while we can  
God you won't be sorry,  
Cause I'm committed to pleasing my man, my man

Just remember my darling when there's time to spare  
I'll be thinking about you, and our hot affair  
Saying wasn't it good, wasn't it good so good

Do you love her, can you dig it, did I do it to you baby so good  
Did you want it, can you dig it, do you love it baby, baby so good

Was it was it really good, you love it didn't you lover  
God I'm so ooh shoot, am I good  
Did you love it did you want it can you dig it  
Baby, baby so good
