

After all - 1/1

Interprété par Cher.

Love Theme from "Chances Are"

Well here we are again I guess it must be fate
We've tried it on our own but deep inside we've known
We'd be back to set things straight

I still remember when your kiss was so brand new
Every memory repeats, every step I take retreats
Every journey always brings me back to you

Chorus:

After all the stops and starts
We keep coming back to these two hearts
Two angels who've been rescued from the fall
And after all that we've been through
It all comes down to me and you
I guess it's meant to be forever you and me
After all

When love is truly right (this time it's truly right)
It lives from year to year, it changes as it grows
And oh the way it grows but it never disappears

(chorus)

Always just beyond my touch
Though I needed you so much
After all what else is living for, oh

(chorus)
