## Love can build a bridge - 1/1

## Interprété par Cher.

I'd gladly walk across the desert With no shoes upon my feet To share with you the last bite Of bread I had to eat I'd would swim out to save you In your sea of broken dreams When all your hopes are sinking Let me show you what love means

Chorus Love can build a bridge Between your heart and mine Love can build a bridge Don't you think it's time? Don't you think it's time?

I would whisper love so loudly Every heart could understand That love and only love Can join the tribes of man I would give my heart's desire So that you might see The first step is to realize That it all begins with you and me

(Repeat Chorus)

When we stand together It's our finest hour We can do anything, anything Anything, anything Keep believin' in the power

(Repeat Chorus X2)

Love and only love Love and only love
