

# I found someone - 1/1

**Interprété par Cher.**

Don't you know  
So many things they come and go  
Like your words that once rang true  
(Just) like the love I thought I found in you  
And I remember the thunder  
Talkin' 'bout the fire in your eyes  
But you walked away when I needed you most

Chorus

Now, maybe baby maybe baby  
I found someone  
To take away the heartache  
To take away the loneliness  
I've been feelin' since you've been gone  
Since you've been gone

Dry your eyes  
I never could bear to see you cry  
Someday your love will shine through  
Show ya the feelin's that ya never really knew  
But baby don't ya lose that thunder  
Talkin' 'bout that fire in your eyes  
You're lookin' at me, but ya still don't believe

Chorus

Bridge  
To long on the border line  
Wonderin' if your love was really mine  
But you left me with open eyes  
And when I realized

Chorus
