

Human beings - 1/2

Interprété par Seal.

It is only love I feel
That will give us peace of heart

In my hour of desperate need

I feel closer to the One

Oh.....
but why...

Please
Human being
If you bleed
they will say it was destined

They'll be punchin' tickets
For the minute if you fall out of line

desperate
desperate

Tell me is it death you feel
That will bring you peace of life.
Who wants
Tell me you're one
Tell me you're one of us
Tell me you're one
Tell me you're one of us

When you lose your self esteem
That's when love dies...

Ohhh...
Please....
Human being
If you bleed
They will say that it's destined

They'll be punchin' tickets
For the minute if you fall out of line

We're mere human beings we die

So...
So...desperate desperate... yeah...

Human beings - 2/2

Well I feel...

When you've reached number one

You look like you're puffing but

Really only blocking the sun...

Blocking the sun

Blocking the sun.....

Blocking the sun

Blocking the sun.....

We're mere human beings

We die...

It's destined.....

They'll be punchin' tickets

For the minute you fall out of life

We're mere human beings we die

We're mere human beings we die

Desperate

It's destined

We're mere human beings we die...

desperate

it's destined, destined

We're mere human beings we die...
