

State of grace - 1/2

Interprété par Seal.

So strange
It's funny how
We came to meet

Those eyes uncanny
Were my invitation

I couldn't wait
I couldn't wait
To hold you like a baby

Here's what it feels like
You are here now

Oh but I
Can't seem to find our state of grace
Who knows tomorrow may never come
One touch, one look that is all it takes
These things forever change us

Oh I hey

This is the sound of a feeling that's caught in my head
Make me think about something you said
Take away my fears

Ohh I
This is the sound of a woken man
Why don't you tell me it you babe
I found you
You babe

Yeeaaah but I
Can't seem to find that state of grace
Who knows tomorrow may never come
One touch, one look that is all it takes
These things forever change us

Look at the past
No savoir faire
No that's not us

Whooooohoooohooaa

Oh but I
I can't seem to find my state of grace
Who knows tomorrow may never come

State of grace - 2/2

One touch, one look that is all it takes
These things forever change us
These things forever change us
These things
Look at the past
These things
No savoir fair
These things
I know that are ours
These things
Look at the past
Whoaa ohhh oohh ohhhhhh ohhh oohhh ohhha
Whoaa ohhh oohh ohhhhhh ohhh oohhh ohhha
Aaaahha

These things
Look at the past
