

Whole again - 1/1

Interprété par Atomic Kitten.

If you see me walking down the street
Staring at the sky and dragging my two feet
You just pass me by
You don't miss me cry
But you could make me whole again
And if you see me with another man
Laughing and joking, doing what I can
I want put you down
Cause I want you around
You can make me whole again

Looking back on when we first met
I cannot escape and I cannot forget Baby you're the one
You still turn me on
You can make me whole again

Time is laying heavy on my heart
Seems I've got too much of it since we've been apart
My friends make me smile if only for a while
You can make me whole again

Looking back on when we first met
I cannot escape and I cannot forget Baby you're the one
You still turn me on
You can make me whole again

For now I have to wait
But baby if you change your mind
Don't be too late, cause I just can't go on
It's already been too long
But you could make me whole again
