

Barker Of The U.F.O. - 1/1

Interprété par Bee Gees.

Barker sing me a song
Instead of counting trees,
collecting aeroplane numbers now, Mr Barker
Live it up, shine my shoes
Fly me to the moon ,
never before have I seen the light, Mr Barker
Then the moment of depression fell around , Mr Barker
And the changes of expression to a frown, My friend Barker
There must be something there
Shiner of the light, we demand we are here, Mr Barker
Then the moment of depression fell around , Mr Barker
And the changes of expression to a frown ,my friend Barker
There must be something there
Shiner of the light , we demand we are here , Mr Barker
Barker sing me a song
Instead of counting trees,
collecting aeroplane numbers now, Mr Barker
Live it up, shine my shoes
Fly me to the moon ,
never before have I seen the light
Barker sing me a song
Instead of counting trees,
collecting aeroplane numbers now , Mr Barker
Live it up , shine my shoes
Fly me to the moon,
never before have I seen the light (fade out)
