

## What you see is what you get - 1/2

Interprété par Britney Spears.

You used to say that I was special  
Everything was right  
But now you're thinkin'  
That I'm wearing too much makeup  
And my dress is too tight

You've got no reason to be jealous  
I've never been untrue  
So why does it really matter  
If they're looking  
I'm only looking at you

You should never try to change me  
I can be nobody else  
And I like the way I am

What you see is what you get  
This is me (hey, you)  
If you want me don't forget  
You should take me as I am  
'Cause I can promise you  
Baby, what you see is what you get

I know you watch me when I'm dancing  
When I party with my friends  
I can feel your eyes in my back (baby)  
I can't have chains around me, baby, can't you see ?  
I can be anything you dream of  
But I gotta feel free

You should never try to change me  
I can be nobody else  
And I like the way I am

What you see is what you get  
This is me (hey, you)  
If you want me don't forget  
You should take me as I am  
'Cause I can promise you  
Baby, what you see is what you get

You should never try to change me  
I can be nobody else

Believe me, you'll be lookin' for trouble  
If you hurt me  
I can promise you

Britney: "Hey, this is Brit, and I'm not in right now.

So do your thing ! BEEP ! [laughs] I'm just kiddin'."

[ANSWERING MACHINE BEEPS]

Man: "Yo Brit. You're a nerd. You really need to change that message. Look, I was thinking about that movie we saw the other night...y'know, how she had all that fame and all that money. She still wasn't happy. Wouldn't that make a cool song ?"
