

# Ain't Nothing Gonna Keep Me From You - 1/1

Interprété par Bee Gees.

1)

I admit it , I'm really a dreamer  
And I'm reachin' for a star too high up there for hangin' on  
And baby , I believe in 'for all time"  
and the miracle of your love and mine  
It's a lonely feelin' when the meaning's gone

2)

I'm confessin' , I don't wanna let you go  
And I'm burnin' for the love  
that you don't show me anymore  
And all of the dreams that we whispered about  
They went into my heart and they never came out  
And a love like this can die if we don't let it grow

Wind and fire and fallin' rain  
I'll be comin' through  
There ain't nothin' gonna keep me from you  
My love (no nothing) ,nothin' gonna keep me from you , my love  
I'll find anyplace where you may hide  
I'll be by your side  
There ain't nothin' gonna keep me from you  
My love (no, nothin') ,nothin' gonna keep me from you,my love  
I'll find you  
Heaven and earth I will move for you ,darlin'  
Whatever it takes to be where you are  
With a stronger love , let me flow through you , baby  
You ain't got the power for breakin' my heart  
And forever you'll be my paradise  
And I'm reachin' for a dream when you don't even want me to  
And baby , I believe you need me there  
for the miracle of love we share  
And tomorrow I will still be followin' you

repeat 3) and fade out
