

Treehouse - 1/1

Interprété par Nadasurf.

I can see the things she does for me
I'm living in a treehouse
I live in constant fear
Awakening must be near
I'm sleeping in a dreamhouse
Up in the trees

A tine in the fork in the road is pointing to heaven
But the sky is old
A tine in the fork in the road is pointing at nothing
Cause it's all been sold

I live with you
To die in a jamais vu
I love you
But this isn't true

I can see the things she does for me
I'm living in a treehouse
I live in constant fear
Awakening must be near
I'm sleeping in a dreamhouse
Waiting for the end
