Stay until
You're sure that i'm asleep
Warm safe and very still
Give all my things away
Just wait until tomorrow
Bury me in sorrow
Cover me in joy

Every afternoon i wasted being mad at You
The things I never said
The things I can't say tomorrow
Bury me in sorrow
Cover me in joy

After death i'll think of You somehow
I'll have an eternity to think about tomorrow
I beg of You tomorrow
Bury me in sorrow
Cover me in joy
