

# I say a little prayer - 1/1

**Interprété par Aretha Franklin.**

The morning I wake up, before I put on my makeup  
I say a little prayer for you  
While combing my hair now and wond'ring what dress to wear now  
I say a little prayer for you  
Forever and never you'd stay in my heart and I will love you  
Forever and ever we never will part oh how I love you  
Together together that's how it should be to live without you  
Would only mean heart break for me

I run fot the bus dear, while riding I think of us dear  
I say a little prayer for you  
At work I just take time and all through my coffee break time  
I say a little prayer for you  
Forever forever you'd stay in my heart and I will love you  
Forever and ever we never will part oh how I love you  
Together together that's how it must be to live without you  
Would only mean heartache for me

My darling believe me, for me there's no one but you  
Please love me too  
I'm in love with you  
Answer my prayer  
Say you love me too
