

## Maybe - 1/1

**Interprété par Enrique Iglesias.**

If I ???

I go back to the moment I kissed  
Do you goodbye no matter how hard I tried  
I can't live without you in my life

Maybe you say you still want me  
Maybe you say that you don't  
Maybe we say it was over  
Baby I can't let you go

I walk around couldn't understand  
Where we were wrong and I can't pretend  
It wasn't me it wasn't you  
But I'm convinced we gave up too soon

Maybe you say you still want me  
Maybe you say that you don't  
Maybe we say it was over  
Baby I can't let you go

Nothing that you lose was up to losing you  
There's nothing I can take  
When I run to you, when I come for you  
You tell me I'm too late

Maybe you say you still want me  
Maybe you say that you don't  
Maybe we say it was over  
Baby I can't let you go
