

# Don't turn off the lights - 1/1

**Interprété par Enrique Iglesias.**

I don't have to tell you what this is all about  
Cause baby ???  
So why you gotta ask me what I'm doing now  
Cause I don't like the question  
What I still haven't found

So don't turn off the lights  
I don't wanna be in the dark night  
Cause I can read your mind  
I need to know if what I'm doing is right  
So don't turn off the lights

So tell me I'm gonna get you  
It's so hard to even try  
But if we move together  
We'll end up on the second song

If you could know what you're feeling  
If you could know where you go  
If you want to know what I'm thinking

So don't  
So don't turn off the lights  
I don't wanna be in the dark night  
Cause I can read your mind  
I need to know if what I'm doing is right  
So don't turn off the lights

You don't have to tell me  
I want you listen to me  
Everything that we can be

Don't turn off the lights...
