

## Yeliel (my angel) - 1/1

Interprété par Lara Fabian.

Just like the sea  
No one possesses you  
And no one can go down to  
The deepest side of you  
Just like a tree  
Decades and memories  
Articulate and seal  
Every one of your dreams  
When I need you I secretly sing you this part of my soul  
Chorus:  
Yeliel, my angel  
Know that I can hear you  
And every word you speak is holy  
Wind caressing me  
Yeliel, my angel  
Know that I can see you  
And when I fall I feel your arms around my destiny  
Protecting me  
I do believe  
Some things are mysteries  
The simple fact that we stand alive  
that we breathe  
Why do I love  
Why do I hate and die  
Where do these things all lie  
I don't know why I cry  
When I need you I secretly sing you this part of my soul  
Chorus  
Why do I love  
Why do I hate and die  
Where do these things all lie  
I don't know why I cry  
When I need you I secretly sing you this part of my soul  
Chorus
