

## Love by grace - 1/1

**Interprété par Lara Fabian.**

I remember the rain on the roof that morning  
And all the things that I wanted to say  
The angry words that came from nowhere without warning  
That stole the moment and sent me away  
And you standing there at the  
doorway crying  
And me wondering if I'd ever be back  
Chorus:  
I said I didn't come here to leave you  
I didn't come here to lose  
I didn't come here believing I would ever be away from you  
I didn't come here to find out  
There's a weakness in my faith  
I was brought here by the power of love  
Love by grace  
And I remember the road just  
went on forever  
Just couldn't seem to turn that  
car around  
'Til in the distance like a long  
lost treasure  
A phone booth that just could  
not be found  
And you standing there at the  
doorway waiting  
And the moment when we laid  
back down  
Chorus  
That was just a moment in time  
And one we'll never forget  
One we can leave behind  
'Cause when there was doubt  
You'll remember I said  
I didn't come here believing I would ever be away from you  
I didn't come here to find out  
There's a weakness in my faith  
I was brought here by the power of love  
I was brought here by the power of love  
Love by grace
