

## New kid in town - 1/1

## Interprété par Eagles.

There's talk on the street, it sounds so familiar Great expectations, ev'rybody's watchin' you People you meet they all seem to know you Even your old friends treat you like you're somethin' new

Johnny come lately The new kid in town Ev'rybody loves you So don't let them down

You look in her eyes, the music begins to play Hopeless romantics, here we go again But after a while you're lookin' the other way It's those restless hearts that never mend

Johnny come lately
The new kid in town
Will she still love you
When you're not around?

There's so many things you should have told her But night after night you're willing to hold her Just hold her, tears on your shoulder

There's talk on the street, it's there to remind you Doesn't really matter which side you're on You're walkin' away and they're talkin' behind you They will never forget you 'til somebody new comes along

Where've you been lately? There's a new kid in town Ev'rybody loves him (don't they?) Now he's holdin' her and you're still around

There's a new kid in town
Just another new kid in town.
Ev'rybody's talkin' 'bout the new kid in town
Ev'rybody's talkin' 'bout the new kid in town
There's a new kid in town (I don't want to hear it)
There's a new kid in town (I don't want to hear it)
