(Music by M.Cintron, P.G.Wylder/Lyrics by A.Arzoomanian, H.Rulofs/Published by FMP Songs/Co-Produced by M.Cintron) Songs)

I'm not alone
Cause I believe in love
I'm not alone
Cause I believe in love
I'm not alone
When the night gets cold
Loneliness whistles through the window
I know that she still loves me
And when we're apart
Others come and go for a while
I know that she still loves me
I'm not alone
Cause I believe in love
I'm not alone
Cause I believe in love
I'm not alone
I've been around the world
Many faces played a role
But I know she still loves me
And I won't mistake any love to be as true
Cause baby I knew she still loves me
I'm not alone
Cause I believe in love
I'm not alone
Cause I believe in love
I'm not alone
Do you know how much I need you
Do you know how much I care for you
I'm not alone
Cause I believe in love
I'm not alone
Cause I believe in love
I'm not alone
I'm not alone
Cause I believe in love
I'm not alone
Cause I believe in love
I'm not alone
