(Music by M. Cintron/Lyrics by F. Reuter, P. Bischof-Fallenstein/ Published by FAR MV)

What must I do  
I tried everything I could possibly think of  
I searched my whole life to find  
Someone like you  
You mean so much to me  
It's a feeling that I just can't describe  
I love to feel your touch  
The passion between us when I'm deep inside  
You are a part of me  
One heart one destiny  
I wanna love you endlessly  
You are a part of me  
The only love my eyes can see  
What do I have to do to make you believe  
Why do you question me  
I can't erase the things that I've done in the past  
I want to convince you  
That I'll do anything to make these emotions last  
Please talk to me  
Tell me what to do  
I really want you to believe  
All that I say is from the bottom of my heart  
But I reach into my soul to say  
You are a part of me  
One heart one destiny  
I wanna love you endlessly  
You are a part of me  
The only love my eyes can see  
What do I have to do to make you believe  
You are a part of me  
In my arms you feel so warm and tender  
In your eyes I see forever  
Come dance with me  
You are a part of me  
One heart one destiny  
I wanna love you endlessly  
You are a part of me  
The only love my eyes can see  
What do I have to do to make you believe
