

Cry - 1/1

Interprété par Michaël Jackson.

CD Invincible

Somebody shakes when the wind blows
Somebody's missing a friend,hold on
Somebody's lacking a hero
And they have not a clue when it's all gonna end

Stories buried and untold
Someone is hiding the truth,hold on
When will this mystery unfold
And will the sun ever shine
In the blind mans eyes when he cries

Chorus
You can change the world (I can't do it by myself)
You can touch the sky (Gonna take somebody's help)
You're the chosen one (I'm gonna need some kind of sign)
If we all cry at the same time tonight

People laugh when they're feeling sad
Someone is taking a life,hold on
Respect to believe in your dreams
Tell me where were you
When your children cried last night

Faces filled with madness
Miracles unheard of (Hold on)
Faith is found in the winds
All we have to do is reach for the truth, the truth

You can change the world (I can't do it by myself)
You can touch the sky (Gonna take somebody's help)
You're the chosen one (I'm gonna need some kind of sign)
If we all cry at the same time tonight

And when that flag blows there'll be no more wars
And when all calls I will answer all your prayers (Prayers)
Change the world

You can change the world (I can't do it by myself)
You can touch the sky (Gonna take somebody's help)
You're the chosen one (I'm gonna need some kind of sign)
If we all cry at the same time tonight
