

# You make me feel - 1/1

**Interprété par Westlife.**

I've been trying to reach you  
'Cause I got something to say  
But you're talking about nothing at all  
And you're slipping away  
We were crying together  
It was a long time ago  
Before you walk out the door  
And leave me this way  
Just here what I say  
You make me feel  
You make me real  
For the rest of my days  
In so many ways

You make me feel  
I've been trying to leave you  
Why should we go on like this  
But my heart can't breathe  
When I hear you say  
It's better this way

(Chorus)

Ten thousand light years away from you  
Keep thinking maybe it's time to let go  
But by the end of the day  
I still want to say "Do you"

(Chorus)
