

The icicle melts - 1/1

When

When will the icicle melt

The icicle icicle

And when

When will the picture show end

The picture show, picture show

I should not have read the paper today

Cause a child, child, child, child he was taken away

There's a place for the baby that died

And there's a time for the mother who cried

And she will hold him in her arms sometime

Cause nine months is too long, too long, too long

How

How could you hurt a child

How could you hurt a child

Now does this make you satisfied

Satisfied satisfied

I don't know what's

Happening to people today

When a child, child, child, child he was taken away (taken away)

There's a place for the baby that died

And there's a time for the mother that cried

And she will hold him in

Her arms sometime

Cause nine months is too long, too long, too long

There's a place for the baby that died

And there's a time for the mother who cried

And you will hold him in

Yours arms sometime

Cause nine months is too long, too long, too long
